	As you will recall from the title closing, we represent By now, you probably can imagine the balance of the letter, but nevertheless I would appreciate your just taking a moment to read on.	b6 b7(
	As you know, on December 14, 1979 lent you \$30,000. At thattime, or shortly thereafter, you were also kind enough to acknowledge by having your New York Life Insurance Company policy transferred (as to ownership and beneficiary) over to and he is presently listed as the first beneficiary. You will recall that the form which you signed on March 6, 1980 said creditor of insured. We want you to know that we appreciate your having done this, just as appreciates the fact that everything has not been going as you had hoped, so that you have been unable to turn your desires into fulfillment (to say the leasti).	b6 b70

rather serious business reverses and the prospects do not seem very good for him. You also probably know that he has not been as physically well as he had been, and, at least according to the doctor, a lot of this has emotional overtones, if not constituting the actual cause for his problems. Since I see him at least once, if not twice, every day, I can personally attest to the appearance of both his business and his apparent physical condition.

If you can see your way clear to some type of a payment plan, with some type of a minimal good faith deposit, I assure you that it would be not only a fulfillment of your legal obligation, but also your moral responsibility, and would incidentally probably help a great deal from the standpoint, at least, b6 of peace of mind.

Newark, New Jersey 07102 Re:v. Kuklinski Docket No. L 7635-80	b6 b7C
Dear Enclosed please find a copy of defendant's Answer in the above matter.	
I have been given your letter of September 30, 1980, and without criticism to the self-serving statements and fantasies of your client, I would like to simply make you aware that ther was never a \$30,000,00 loan from your client to mine. In December, 1979, invested \$25,000.00 in a joint venture with Mr. Kuklinski, and the joint venture failed. In fact my client lost more than the \$25,000.00 invested by yours. These facts are well known to as well as as she was present when the joint venture was discussed and agreed upon.	b6 ,b7C
It is unfortunate that your client has taken the action he did to try to recoup his business losses by declaring it to be a loan. However, in retrospect, it appears that he had planned and schemed for such a thing right from the beginning of the venture. This is evidenced by the life insurance policy you refer to in your letter. That policy was taken against the life of my client and because of the nature of the venture, if anything were to happen to Mr. Kuklinski, the venture would terminate. Because of this and because of their friendship, Mr. Kuklinski agreed to the life insurance policy and signed a form presented to him by the paramedic who did the examination. However, thereafter, advised that that form had been lost and came to Mr. Kuklinski's house with another form which he signed without even reading and if, in fact, it was typed and form that, as you stated in your letter, creditor of insured", that was nothing more than a planned deception on the part of	

In any event, Mr. Kuklinski does not have any indebtedness whatsoever to ______ as both ______ well know. While we could proceed with the litigation and more likely than not succeed, the amount of time and legal fees involved are considerable. It is suggested that perhaps a discussion with Mr. _____ might produce a willingness to simply withdraw the Complaint. The only other alternative left to Mr. Kuklinski is to go into personal bankruptcy, which he could easily do as he is without any assets or property and has never owned any property. Although he does not owe any money to _____ it is probably cheaper for him to go into personal bankruptcy than to have to pay the heavy counsel fees that would be required to defend the above action.

I shall look forward to hearing from you.

Re:v. Kuklinski Docket No. L 7635-80	b6 b7
Dear	
My clients advised me that they received an incredible letter from you dated October 28, 1980. In that letter, a self-serving statement is made, presumably in total reliance upon what was told to you by your client, that my clients had paid the sum of \$500.00 to your client in recognition of the fictitious loan that he is attempting to extort from Mr. Kuklinski. This is utter nonsense and both my clients and I were utterly amazed that could continue to try to lay the foundation for his false claim through such misrepresentations and chicanery.	b6 b7
So that there is no misunderstanding, Mr. Kuklinski has not paid \$500.00 or any other such monies to this past week, nor has he every taken any such loan as set forth in your letter. I look forward to the opportunity to explore representations to you during discovery, if the suit is permitted to go that far. As I mentioned in my previous letter, although Mr. Kuklinski has absolutely no liability to the expense of defending this litigation is much greater than the simple act of going into personal bankruptcy and this may very well be the course of action that he chooses to take	b6 b7
I shall, of course, keep you advised accordingly.	

Very truly yours,

5th: That the Tenant shall not assign this agreement, or underlet or underlease the premises or any part thereof or occupy, or permit or suffer the same to be occupied for any business or purpose deemed disreputable or extra-hazardous on account of fire, under penalty of damages and forfeiture.

In all other cases where the leased premises are damaged by fire without the fault of the Tenant or of Tenant's agents or employees the Landlord shall repair the damage with reasonable dispatch after notice of damage, and if the damage has rendered the premises untenantable, in whole or in part, there shall be an apportionment of the rent until the damage has been repaired. In determining what constitutes reasonable dispatch consideration shall be given to delays caused by strikes, adjustment of insurance and other causes beyond the Landlord's control.

8th: That said Tenant agrees that the said Landlord and Landlord's Agonts, and other representatives, shall have the right to enter into and upon said premises, or any part thereof, at all reasonable hours for the purpose of examining the same, or making such repairs or alterations therein as may be necessary for the safety and preservation thereof.

9th: The Tenant also agrees to permit the Landlord or Landlord's Agents to show the premises to persons wishing to hire or purchase the same; and the Tenant further agrees that during the six months next prior to the expiration of the term, the Landlord or Landlord's Agents shall have the right to place notices on the front of said premises, or any part thereof, offering the premises "To Let" or "For Sale," and the Tenant hereby agrees to permit the same to remain thereon without hindrance or molestation.

10th: That if the said premises, or any part thereof, shall become vacant during the said term, or should the Tenant be evicted by summary proceedings or otherwise, the Landlord or Landlord's representatives may re-enter the same, either by force or otherwise, without being liable to prosecution therefor; and re-let the said premises as the Agent of the said Tenant and receive the rent thereof; applying the same, first to the payment of such expenses as the Landlord may be put to in re-entering and then to the payment of the rent due by these presents; the balance (if any) to be paid over to the Tenant who shall remain liable for any deficiency.

11th: Landlord may replace, at the expense of Tenant, any and all broken glass in and about the demised premises. Landlord may insure, and keep insured, all plate glass in the demised premises for and in the name of Landlord. Bills, for the premiums therefor shall be rendered by Landlord to Tenant at such times as Landlord may elect, and shall be due from, and payable by Tenant when rendered, and the amount thereof shall be deemed to be, and be paid as, additional rental. Damage and injury to the said premises, caused by the carelessness, negligence or improper conduct on the part of the said Tenant or the Tenant's agents or employees shall be repaired as speedily as possible by the Tenant at the Tenant's own cost and expense.

12th: That the Tenant shall neither encumber, nor obstruct the sidewalk in front of, entrance to or halls and stairs of said building, nor allow the same to be obstructed or encumbered in any manner.

13th: The Tenant shall neither place, nor cause, nor allow to be placed, any sign or signs of any kind whatsoever at, in or about the entrance to said premises nor any other part of same except in or at such place or places as may be indicated by the said Landlord and consented to by Landlord in writing. And in case the Landlord or Landlord's representatives shall deem it necessary to remove any such sign or signs in order to paint or to make any other repairs, alterations or improvements in or upon said premises or the building wherein same is situated or any part thereof, the Landlord shall have the right to do so, providing the same be removed and replaced at the Landlord's expense whenever the said repairs, alterations or improvements shall have been completed.

14th: It is expressly agreed and understood by and between the parties to this agreement, that the Landlord shall not be liable for any damage or injury to person or property caused by or resulting from steam, electricity, gas, water, rain, ice or snow, or any leak or flow from or into any part of said building, or from any damage or injury resulting or arising from any other cause or happening whatsoever.

15th: That if default be made in any of the covenants herein contained, then it shall be lawful for the said Landlord to re-enter the said premises, and the same to have again, re-possess and enjoy.

16th: That this lease shall not be a lien against said premises in respect to any mortgages that are now on or that hereafter may be placed against said premises, and that the recording of such mortgage or mortgages shall have preference and precedence and be superior and prior in lien of this lease irrespective of the date of recording and the Tenant agrees to execute any instrument without cost, which may be deemed necessary or desirable to further effect the subordination of this lease to any such mortgage or mortgages, and a refusal to execute such instruments shall entitle the Landlord, or the Landlord's assigns and legal representatives to the option of cancelling this lease without incurring any expense or damage, and the term hereby granted is expressly limited accordingly.

17th: The Tenant has this day deposited with the Landlord the sum of \$150.00 as security for the full and faithful performance by the Tenant of all of the terms and conditions upon the Tenant's part to be performed, which said sum shall be returned to the Tenant after the time fixed as the expiration of the term herein, provided the Tenant has fully and faithfully carried out all of the terms, covenants and conditions on the Tenant's part to be performed. In the event of a bona fide sale, subject to this lease, the Landlord shall have the right to transfer the security to the vendee for the benefit of the Tenant and the Landlord shall be considered released by the Tenant from all liability for the return of such security; and the Tenant agrees to look to the new Landlord solely for the return of the said security, and it is agreed that this shall apply to every transfer or assignment made of the security to a new Landlord.

18th: That the security deposited under this lease shall not be mortgaged, assigned or encumbered by the Tenant without the written consent of the Landlord.

19th: It is expressly understood and agreed that if for any reason it shall be impossible to obtain fire insurance on the buildings and improvements on the demised premises in an amount, and in the form, and in fire insurance companies acceptable to the Landlord the Landlord may, if the Landlord so elects, at any time thereafter terminate this lease and the term thereof, on giving to the Tenant three days' notice in writing of Landlord's intention so to do and upon the giving of such notice, this lease and the term thereof shall terminate and come to an end.

20th: It is expressly understood and agreed that in case the demised premises shall be deserted or vacated, or if default be made in the payment of the rent or any part thereof as herein specified, or if, without the consent of the Landlord, the Tenant shall sell, assign, or mortgage this lease or if default be made in the performance of any of the covenants and agreements in this lease contained on the part of the Tenant to be kept and performed, or if the Tenant shall fail to comply with any of the statutes, ordinances, rules, orders, regulations and requirements of the Federal, State and City Government or of any and all their Departments and Bureaus, applicable to said premises, or if the Tenant shall file or there be filed against Tenant a petition in bankruptcy or arrangement, or Tenant be adjudicated a bankrupt, or make an assignment for the benefit of creditors or take advantage of any insolvency act, the Landlord may, if the Landlord so elects, at any time thereafter terminate this lease and the term hereof, on giving to the Tenant five days' notice in writing of the Landlord's intention so to do, and this lease and the term hereof shall expire and come to an end on the date fixed in such notice as if the said date were the date originally fixed in this lease for the expiration hereof. Such notice may be given by mail to the Tenant addressed to the demised premises.

All notices required to be given to the Tenant may be given by mail addressed to the Tenant at the demised premises.

21st: The Tenant shall pay to the Landlord the rent or charge, which may, during the demised term, be assessed or imposed for the water used or consumed in or on the said premises, whether determined by meter or otherwise, as soon as and when the same may be assessed or imposed, and will also pay the expenses for the setting of a water meter in the said premises should the latter be required. If such rent or charge or expenses are not so paid the same shall be added to the next month's rent thereafter to become due.

22nd: That the Tenant will not nor will the Tenant permit undertenants or other persons to do anything in said premises, or bring anything into said premises, or permit anything to be brought into said premises or to be kept therein, which will in any way increase the rate of fire insurance on said demised premises, nor use the demised premises or any part thereof, nor suffer or permit their use for any business or purpose which would cause an increase in the rate of fire insurance on said building, and the Tenant agrees to pay on demand any such increase.

* Landlord has \$125.00 security. Need \$150.00 more which would total one months rent.

23rd: If after default in payment of rent or violation of any other provision of this lease, or upon the expiration of this lease, the Tenant moves out or is dispossessed and fails to remove any trade fixtures or other property prior to such said default, removal, expiration of lease, or vacates the demised premises prior to the issuance of the final order or execution of the warrant, then and in that event, the said fixtures and property shall be deemed abandoned by the said Tenant and shall become the property of the Landlord.

24th: The failure of the Landlord to insist upon strict performance of any of the covenants or conditions of this lease or to exercise any option herein conferred in any one or more instances, shall not be construed as a waiver or relinquishment for the future of any such covenants, conditions or options, but the same shall be and remain in full force and effect.

25th: In the event that the relation of the Landlord and Tenant may cease or terminate by reason of the re-entry of the Landlord under the terms and covenants contained in this lease or by the ejectment of the Tenant by summary proceedings or otherwise, or after the abandonment of the premises by the Tenant, it is hereby agreed that the Tenant shall remain liable and shall pay in monthly payments the rent which accrues subsequent to the re-entry by the Landlord, and the Tenant expressly agrees to pay as damages for the breach of the covenants herein contained, the difference between the rent reserved and the rent collected and received, if any, by the Landlord, during the remainder of the unexpired term, such difference or deficiency between the rent herein reserved and the rent collected, if any, shall become due and payable in monthly payments during the remainder of the unexpired term, as the amounts of such difference or deficiency shall from time to time be ascertained.

26th: If the whole or any part of the demised premises shall be acquired or condemned by Eminent Domain for any public or quasi public use or purpose, then and in that event, the term of this lease shall cease and terminate from the date of title vesting in such proceeding and Tenant shall have no claim against Landlord for the value of any unexpired term of said lease. No part of any award shall belong to the tenant.

27th: This lease and the obligation of Tenant to pay rent hereunder and perform all of the other covenants and agreements hereunder on part of Tenant to be performed shall in nowise be affected, impaired or excused because Landlord is unable to supply or is delayed in supplying any service expressly or impliedly to be supplied or is unable to make, or is delayed in making any repairs, additions, alterations or decorations or is unable to supply or is delayed in supplying any equipment or fixtures if Landlord is prevented or delayed from so doing by reason of governmental preemption in connection with a National Emergency declared by the President of the United States or in connection with any rule, order or regulation of any department or subdivision thereof of any governmental agency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency,

28th: Landlord shall not be liable for failure to give possession of the premises upon commencement date by reason of the fact that premises are not ready for occupancy, or due to a prior Tenant wrongfully holding over or any other person wrongfully in possession or for any other reason; in such event the rent shall not commence until possession is given or is available, but the term herein shall not be extended.

29th: This lease is subject and is hereby subordinated to all present and future mortgages, deeds of trust and other encumbrances affecting the demised premises or the property of which said premises are a part. The Tenant agrees to execute, at no expense to the Landlord, any instrument which may be deemed necessary or desirable by the Landlord to further encet the subordination of this lease to any such mortgage, deed of trust or encumbrance.

30th: The Landlord shall supply all heat, electric and water to tenant.

31st: The Tenant further agrees to carry Public Liability Insurance for personal injury in the amount of not less than \$300,000 and further agrees to include the Landlord as additional insured under the terms of said liability insurance.

32nd: Any increase in Real Estate Tax in excess by the Borough of Emerson over the base year commencing July 1, 1978 shall be borne by the Tenant in proporation to his area as compared to the total area of the building. Computation to be made by the Landlord and billed as soon as possible after receiving notice of any increase in real estate taxes by the Borough of Emerson.

33rd: The Tenant shall be responsible at his own cost and expense for janitorial service for the office rented to him.

And the said Landlord doth covenant that the said Tenant on paying the said yearly rent, and performing the covenants aforesaid, shall and may peacefully and quietly have, hold and enjoy the said demised premises for the term aforesaid, provided however, that this covenant shall be conditioned upon the retention of title to the premises by the Landlord.

And it is further understood and agreed, that the covenants and agreements herein contained are binding on the parties hereto and upon their respective successors, heirs, executors, administrators and assigns.

It is further expressly agreed that the words used in the singular shall include words in the plural where the text of this instrument so requires.

IN WITNESS WHEREOF, the parties have inter-changeably set their hands and seals or caused these presents to be signed by their proper corporate officers and caused their proper corporate seal to be hereto affixed, this day of January 1980.

CONTINUED STATEMENT OF RICHARD L. KUKLINSKI. WM AGE LLL. After picking up my key for the room I returned to George's house and picked him up and then we went back to the VFW and had a few drinks. We stayed for about 2 hours, George had received a telephone call while we were there, I don't know who the caller was, he just said he had to go somewhere. We both left the VFW at the same time, George had his own car. I didn't pick him up. I went back to the Motel. The next morning, Wednesday January 30th about & AM, I called George and told him I was up and we decided to meet at the TEXAS WEINERS RESTURANT in town and have breakfast. After breakfast we went back to George's house, we discussed business and watched Television. He received a couple of telephone calls while I was there, he didn't tell me who the callers were. He left the house for a few hours while I waited and slept on his couch. When he returned we went out again, had a few drinks & spent the evening together, hopping around to different places, the Moose Lodge, the Colonial Tavern, all in town. We were using George's car at this time, after we finished drinking George dropped me off at my car and we split up. I was now staying at the Best Western Motel also on Route #22, I went there and spent the night. Thursday morning, Thursday, January 31, about 8 AM I called him and told him after we had breakfast at TEXAS WEINERS, I was going to leave and go home to Dumont. He said he wanted to ride down with me and I said okay, we returned to his house where I waited while he took care of some errands. He returned and we left Huntingdon about 4 PK heading to Dumont. We stopped along the way and dined at the MIDWAY DIMER on Route #78. After eating we continued and when we got on Routs #17 we stopped at the HOLIDAY INN, where Route #4 & #17 meet, I think it's Paramus, George took a room there. After he got his room, I left and continued home. I went home and went to sleep, I arrived home about 10 PM that night. #### SECOND COUNT

1. Defendant repeats his answers to the allegations of Paragraphs 1 and 2 of the First Count herein, as a part hereof, as if fully set forth hereunder.

# ·2. Defendant denies the allegations of Paragraphs 2, 3, and 4. FIRST SEPARATE DEFENSE

Plaintiff fails to state a claim upon which relief may be granted.

# SECOND SEPARATE DEFENSE

The contract upon which plaintiff bases its claim was modified by plaintiff, without either the knowledge or permission of the defendant, after the defendant signed same and any changes made thereto are null and void.

# THIRD SEPARATE DEFENSE

The contract upon which plaintiff makes its claim is null and void.

# FOURTH SEPARATE DEFENSE

Plaintiff breached its contractual agreement with defendant.

# FIFTH SEPARATE DEFENSE

Plaintiff has been fully compensated with respect to its claim.

# SIXTH SEPARATE DEFENSE

Plaintiff fails to offset its claim with the increased value of the automobile from the date it came into plaintiff's possession to the end of the alleged contract period, said increased value having mitigated plaintiff's alleged losses.

# SEVENTH SEPARATE DEFENSE

Plaintiff failed to credit defendant with return of premiums and insurance receipts, which accrued to the benefit of the plaintiff.

#### COUNTERCLAIM

Defendant, RICHARD KUKLINSKI, individually and trading as SUNSET COMPANY, by way of Counterclaim against the plaintiff, says:

# FIRST COUNT

- 1. In or about May, 1979, plaintiff and defendant agreed to enter into a leasing arrangement for the 1979 Cadillac Eldorado.

  A form agreement was signed by defendant and the sum of \$536.00 was deposited with plaintiff with respect thereto.
- 2. Included in the rental arrangement was full insurance coverage in the event the vehicle should be stolen, destroyed, or damaged.
- 3. It was further agreed that in the event the motor vehicle was stolen, destroyed, or so damaged that it could not be repaired within a reasonable time, that the plaintiff would furnish another motor vehicle and if defendant were deprived of the use of the 1979 Cadillac Eldorado for more than seven (7) days, that there would be no rental until the said motor vehicle or a similar one is delivered to defendant in good working condition.
- 4. Subsequent to the defendant's signing of the form motor vehicle lease, plaintiff did insert certain information and deleted other parts of the agreement, without the knowledge or consent of the defendant.
- 5. In or about the end of 1980, the said vehicle was stolen in Cliffside Park, New Jersey. When it was recovered, it was totally damaged and beyond repair. The entire dashboard and all wires contained therein had been ripped apart, the tires ruined

and damage extensive.

- 6. Defendant advised plaintiff that the automobile was totally destroyed and requested a replacement. Plaintiff refused same and against the wishes of the defendant, attempted to repair the vehicle, seeking monies from the insurance carrier with respect to same.
- 7. Thereafter, plaintiff advised defendant that the vehicle had been repaired, but this was false. The electrical work was not repaired properly and the tires were not replaced. Despite same, defendant in good faith offered to accept the vehicle in the unlik event that it had been properly repaired, on the condition that plaintiff would guarantee the electrical repair, but plaintiff through a corporate officer, refused to give any guarantee with respect thereto.
- 8. As the vehicle had not been properly fixed, and as plaintiff refused to verify or guarantee the electrical work, defendant informed plaintiff that it would not and could not accept the said vehicle and advised that plaintiff had breached it contract and demanded a refund of the security deposit, which plaintiff refused.
- 9. The plaintiff had the vehicle from the time it was recove until it falsely alleged that the vehicle had been repaired, a period in excess of two (2) months, and during this period despite the request of the defendant, plaintiff refused to provide a replacement automobile.
- 10. As a result, defendant was deprived of the use of the said automobile and of a replacement automobile, contrary to his

agreement with plaintiff, who by its failure to provide same breached said agreement.

WHEREFORE, defendant demands judgment against the plaintiff for a return of the security deposit of \$536.00, compensatory damages, interest, counsel fees, and costs of suit.

#### SECOND COUNT

- 1. Defendant repeats the allegations of the First Count herein, as a part hereof, as if fully set forth hereunder.
- 2. The plaintiff improperly disregarded defendant's refusal to permit the vehicle to be repaired, as it was totally damaged, in order for the plaintiff to derive insurance proceeds, from the insurance carrier who insured the said automobile.
- 3. The plaintiff failed to properly repair said vehicle, replace the ruined tires, or give any guarantee for the alleged electrical work done to it.
- 4. The plaintiff did act knowingly, intentionally, and with malice, causing harm to the defendant, in order to promote its own selfish gains with respect to the said vehicle, knowingly causing great harm and misery to the defendant.

WHEREFORE, defendant demands judgment against the plaintiff for a return of the security deposit of \$536.00, compensatory damages, punitive damages, interest, counsel fees, and costs of suit.

# THIRD COUNT

1. Defendant repeats the allegations of the First and Second Counts herein, as a part hereof, as if fully set forth hereunder.

2. In the event the written contract is upheld, under the Doctrine of Mutuality of Obligation, the plaintiff is responsible for all counsel fees and costs incurred by defendant as a result of the plaintiff's breach thereof.

WHEREFORE, defendant demands judgment against the plaintiff for a return of the security deposit of \$536.00, compensatory damages, punitive damages, interest, counsel fees and costs of suit.

#### JURY DEMAND

Defendant demands a trial by jury on all issues contained in the Complaint and the Counterclaim.

The undersigned certifies that the within Answer and Counter-claim have been filed in accordance with the Rules of Court, as extended by the Order of the court dated March 19, 1982, permitting the filing of an Answer within twenty (20) days of receipt of Summons and Complaint, received by defendant's attorney on April 8, 1982.
